Innovation and Technology Support Programme –**

- Tier 2 -

Company Research Scheme

Submitted by

Section A – Basic Information

(When an application is approved, the information in this section will be published at the ITF website (denoted with #) and/or carried forward as pre-filled data in the related progress/final reports.)

1. Project Title#

1.1. English (not more than 20 words):

1.2. Chinese (not more than 30 words):

2. Abstract

(Please provide a brief summary of the objectives, R&D methodology and the impacts and benefits of the project.)

2.1. English (not more than 200 words):

2.2. Chinese (not more than 300 words):

3. Objectives

(Please state in clear and specific terms the technological challenges and what the proposal aims to achieve.)

4. R&D Methodology

(Please provide a brief description of the technology to be developed and/or the innovative use of existing technologies. Details should be provided in Section C.)

5. Deliverables

(Please set out the deliverables, itemized as appropriate, together with their *detailed technical specifications*, of the project.)

5.1 English

5.2 Chinese

Section B – Implementation Schedule

(When an application is approved, the information in this section will be published at the ITF website (denoted with #) and/or carried forward as pre-filled data in the related progress/final reports.)

1. Overall Schedule#

(When planning the project commencement date, please consider that it may take of a few months to approve an application.)

Commencement date (dd/mm/yyyy) :

Completion date (dd/mm/yyyy) :

Project duration (month) :

2. Project Milestones

(Please set out individual milestones to be achieved at different stages of implementation. Detailed account should be provided Section C.)

Period		Milestones
From (dd/mm/yyyy)	To (dd/mm/yyyy)	

Section C – Project Details

1. Background

- 1.1. General background leading to this project. Please provide supporting documents, such as company brochures, published papers and/or patent information to demonstrate the core competence of your company and/or the relevant experiences of the project team members.**
- 1.2. Any previously related project(s) undertaken by your company and/or key project team members in the past five years and supported by the ITF or any other funding sources in Hong Kong and around the world? If yes, please briefly describe the relevant/related project(s) and the source(s) of funding obtained for it (them).**
- 1.3. Any other R&D work or projects similar to this application done or being carried out by other parties in Hong Kong and around the world? If yes, please set out the findings and explain how your approach is compared to others in terms of technological superiority, production costs, market acceptability, etc.**
- 1.4. Any pilot work has already done by your company and/or the project team members in preparation for this project? If yes, please describe the work done.**
- 1.5. Any request for funding support for this application previously rejected by ITF and/or other Government-administered funding schemes? If yes, please set out the project reference of the previous application.**
- 1.6. If this application is a previously rejected application under ITF, any major differences of this application vis-à-vis the previous one? Please explain how these differences have addressed the previously raised concerns.**

- 1.7. Any attempt made or being made to seek funding support for this project from other funding sources in Hong Kong (e.g. Research Grants Council, Applied Research Fund, Environment and Conservation Fund, etc.) and around the world? Please advise any known results of the application(s).

2. Implementation Approach

- 2.1. Please elaborate on the technology to be developed and/or the innovative use of existing technologies. The brief information provided in Section A is relevant.
- 2.2. Please elaborate with technical details on each project milestone. The brief information provided in Section B is relevant.

3. Target Results and Benefits

- 3.1. Any contribution to the strategic position or competitiveness of the company in terms of market share, sales turnover, profit margin, rate of investment return, etc.
- 3.2. Any contribution to the innovation and technology capabilities of the company.
- 3.3. The proposal's contribution to Hong Kong's innovation and technology development.

4. Collaborations with Other Organizations

- 4.1. Any collaboration with other organizations? If so, please elaborate on the form of such collaborations.

4.2. Any special arrangements arising from such collaboration, e.g. licensing of intellectual property rights? If so, please elaborate.

5. Patent Plan

(Please complete the following table if you have any intention to patent any of the process (es) or product(s) to be developed under the project.)

Name of Patentable Item

Country where Registration will be filed

6. Company Details

6.1. General Information

[Such information has been provided in Section D.]

6.2. Business Information

No. of Employees in HK	:	
Year of Establishment	:	
Nature of Business	:	
Line of Products	:	

6.3. Shareholding Information

No.	Shareholder's Name	Allotted Co. No.(if any) / Identity Card No	% held

Section F – Budget for the Project

(Please provide full justifications for each sub-item under the budget items “Manpower”, “Equipment” and “Other Direct Costs”. The rationale behind any projected income or expenditure has also to be given. In case certain goods or services are intended to be procured from one company/organization/individual, please provide the details, relationship between the applicant(s) and the company/organization/individual (if any) and justifications for not following the open procurement procedures set out in the “Guide to the Innovation and Technology Fund”. In addition, quotation/price information should be provided in justifying expenditure items of \$500,000 or more.)

1. Expenditure

(Please ensure that all expenditure items must be incurred between the commencement and completion dates of the project.)

1.1. Manpower

<u>Key Member</u>	<u>Post/Rank</u>	<u>No. of Staff</u> (A)	<u>Duration</u> (B) (Man-month)	<u>Monthly Rate or Equivalent</u> (C) (\$'000)	<u>Total</u> (A)*(B)*(C) (\$'000)	<u>Justification</u>
Sub-total (I):						

1.2. Equipment

(For each sub-item under “Equipment”, apart from providing justifications for its procurement, please also state in the explanatory notes whether similar equipment is available for sharing within the applicant organization or with other ITF recipient organizations, and if so, the reason why the existing equipment cannot be used for this project. In addition, for projects under the Company Research Scheme, only 50% of the cost of the newly purchased equipment can be included in budget.)

<u>Key Equipment</u>	<u>Item</u>	<u>Quantity</u> (A)	<u>Unit Cost</u> (B) (\$'000)	<u>Total</u> (A)*(B) (\$'000)	<u>Justification</u>	
Sub-total (II):						

1.3. Other Direct Costs

(In case external consultants are required for the project, please set out clearly in the explanatory note the justifications for engaging the consultants and the expected time commitment of the consultants under the project.)

<u>Item</u>	<u>Quantity</u> (A)	<u>Unit Cost</u> (B) (\$'000)	<u>Total</u> (A)*(B) (\$'000)	<u>Justification</u>	
Sub-total (III):					
Total((I)+(II)+(III)):					

2. Matching Fund

(Please note that the matching fund must be provided in cash and the amount of such must be no less than 75% of the total project cost.)

<u>Item</u>	<u>Total</u> (\$'000)
Matching Fund	
Total:	

3. Net Amount Requested from the Innovation and Technology Fund

(Please note that the net requested amount from ITF should be no more than \$2 million or 25% of the total project cost, whichever is the less.)

<u>Total Expenditure</u> (A) (\$'000)	<u>Total Matching Fund</u> (B) (\$'000)	<u>Net Requested Amount from ITF</u> (A)-(B) (\$'000)

Section G – Classification of the Project

(When an application is approved, the information in this section will be published at the ITF website.)

1. Research Theme**2. Project Type****3. Technology Area****3.1. Primary Area****3.2. Other Areas (if any)**

3.2.1.

3.2.2.

3.2.3.

4. Industrial Sector**4.1. Primary Sector****4.2. Other Sectors (if any)**

4.2.1.

4.2.2.

4.2.3.

5. Other Attributes (if any)

(Please feel free to choose more than one attribute.)

5.1. Environment-related 5.2. Quality-related 5.3. Particularly SME-related
